

THE JACKSONVILLE MARKET

Who's actually paying these prices?

Honestly? Often nobody.

WHAT YOU'RE SEEING

Asking price is a hope.
Sale price is reality.

A lot of Jacksonville homes are still listed like it's 2021. Many of them are sitting, and then getting reduced.

WHY HOMES ARE SITTING

Sellers remember 2021.

Buyers live with today's rates.

30-YEAR RATES	above 7%
NEW CONSTRUCTION	big incentives
OVERPRICED HOMES	price cuts

WHAT IT MEANS FOR YOU

BUYING?

Look at what homes sold for.

Not what they're listed for.

SELLING?

The first two weeks matter most.

Price it right on day one.
